"Aviall is not providing OEM parts. Aviall is an authorized Stratoflex distributor providing TSO assemblies. Numbers referenced per customer requirements are for customer reference ONLY and are in no way intended to be represented as OEM parts. Any reference to an OEM part number does not authorize or reflect installation authority for this part. The installation authority is provided by the mechanic installing this product in accordance with FAR Part 43".

If applicable, satisfactory compliance with the conditions and tests required for TSO approval indicates the hose assembly has met the minimum performance standards as stated in the TSO. Furthermore, it is the responsibility of the installer to determine the installation eligibility and that it will not cause the hose assembly to be subjected to conditions in excess of those for which it has been approved.

Eric,

I think this is an acceptable deviation for this part.

Regards,

David

Roberto / Mike

We just received in qty x8 D4121-3 B114102 on PO#23298 and the total length is 59.5" long and the drawing calls for 59.00" in length.

These hoses are for the D139-799-015 engine wash. I think that this should be acceptable (this time only) due to the fact that production wants to get these shipped today.

Do you agree?? Please let me know ASAP so I can advise production / shipping

thanks

Eric Downing
